## > Our Legacy

Ori-Plast is an enterprise that has a legacy of over five decades. The brand has been a market leader in PVC and PE Pipes, Fittings and allied items in Eastern India. The Company was founded by the visionary entrepreneur, Mr. S.R. Agarwal, in 1965.

## > Our Manufacturing Units

Headquartered in Kolkata, the Company is one of the largest PVC pipe manufacturers with four state-of-the-art ISO 9001 certified manufacturing facilities at Balasore in Odisha, Behror in Rajasthan, Birkoni in Chhattisgarh; Bagnan and Sankrail in West Bengal.

## > Our Mission

Our products conform to national and international standards and also meet the demands of the commercial market. We offer unsurpassed quality and superior features with improved performance across our product range. With innovation and a strong adherence, we have made a name for ourselves. Our principle is to always put our customers first.

## > Our Glory

We have gone from strength to strength and have been honoured with many prestigious awards. However, the favourite one is the satisfaction and happiness of millions of customers.
